**INTERVIEW SUMMARY RECORD**

Sir:

Applicants gratefully acknowledge the telephone interview granted by the Examiner on or about May 16, 2008. In the interview, Examiner and the undersigned attorney for applicants discussed the Request for Complete Final Office Action filed on April 16, 2008 and related issues.

The Examiner indicated that he had considered the Request, and would provide a written response granting the Request at least in part. The attorney for applicants reiterated that applicants' ability to effectively reply to the final Office Action was adversely affected by the error(s) brought to the attention of the Office in the Request, requested that the response be

mailed as soon as possible (noting that the Office Action was a final Office Action), and repeated the request to have an opportunity to reply to the Office Action that would run from the date the error(s) is corrected. The Examiner requested that applicants provide an English-language translation of the documents to the Rule 131 Declaration.
